Dear Ladies and Gentlemen:

Business owners all agree on one thing: **THE VALUE OF TIME**. In fact, many spend thousands of dollars on technology just to save time.

Luckily, with Green60 Payroll Services, you don't have to invest thousands in technology! With our new Green60 APPP, all it takes is \$22.99 a month to save both time and money.

Green60 APP is a Mobile Employee Time Tracking system with built-in GPS technology that gives you the location that the employee had checked in and checked out at. If you want to eliminate "Buddy Punching" and miscalculations of time, and protect yourself from employee disputes regarding time, this app is for you. This technology has so many features that no other company comes close to what we offer.

To get started, simple call us at 1-844-Green60 [844-473-3660], and one fo our specialist team members will be happy to help answer any questions you may have. **TELL A FRIENDS**, too, and get \$75.00 from us when they sign up.

Thank you in advance for your consideration.

Sincerely

Sohrab Rowshan M.B.A.
